## *Memorandum*

TO: BATA Oversight Committee

DATE: February 6, 2008

FR: Executive Director

W. I.

RE: Contract Amendment – On-Call Construction Management and Design Services:  
 PB Americas, Inc. (\$420,000)

In March 2007, the BATA Oversight Committee authorized the Executive Director to amend the on-call construction management and design services contract with PB Americas, Inc. The prior amendment provided funds to begin the modeling efforts for the San Francisco - Oakland Bay Bridge (SFOBB), as well as fund the massive public outreach that was needed for the full closure of the SFOBB over Labor Day weekend 2007.

Based on the quality product provided as part of the task orders authorized by the March 2007 contract amendment, we are proposing to issue task orders to PB Americas, Inc. for two projects, as follows:

Project	Work Activity Description	Task Order Amount
San Francisco - Oakland Bay Bridge (SFOBB) East Span Visual Simulations	Continued development of the existing 3D models for the SFOBB projects, including models of the new east span structures, and the associated temporary detour structures. The models have been and will continue to be used for project planning and scheduling and to provide simulations of the bridge construction for presentation to the public, media, and policy boards.	\$320,000
I-880 / SR-92 Interchange modeling.	Develop a 3D and schedule model of the I-880 / SR-92 Interchange project that will be used to further evaluate the construction sequence, staging, and schedule. In addition this model will be used to provide simulations of the bridge construction for presentation to the public, media, and policy boards.	\$100,000

**Recommendation**

Staff recommends that the Committee authorize the Executive Director or his designee to negotiate and enter into a contract amendment with PB Americas, Inc. for the SFOBB and I-880 / SR-92 Interchange Visual Simulation projects in an amount not to exceed \$420,000.

---

/Steve Heminger/

REQUEST FOR COMMITTEE APPROVAL  
Summary of Proposed Contract Amendment

Work Item No.:	1251
Vendor:	PB Americas, Inc. San Francisco, CA
Work Project Title:	On-call Construction Management and Project Design Services
Purpose of Project:	To provide staffing to perform construction management and oversight for construction projects and design services for design projects.
Brief Scope of Work:	San Francisco Oakland Bay Bridge and I-880 / SR-92 Interchange 3D and 4D modeling.
Project Cost:	Amendment - \$420,000; Previous Contract Amount - \$1,000,000 (amendment brings total contract value to \$1,420,000)
Funding Source:	Regional Measure 1 (RM 1) Program Projects; I-880/SR-92 Interchange Improvement and RM 1 Contingency
Fiscal Impact:	Project costs will be consistent with funds programmed and budgeted.
Motion by Committee:	That the Executive Director or his designee is authorized to negotiate and enter into a contract amendment in the amount of \$420,000 with PB Americas, Inc. to provide on-call construction management and project design services, and the Chief Financial Officer is directed to set aside funds for such contract amendment.
BATA Oversight Chair:	<hr/> Steve Kinsey
Approved:	Date: February 13, 2008
